\$50 per week or \$40 for weeks that include a statutory holiday.

INDOOR SPECIALTY CAMPS AT WESLEY UNITED CHURCH

JULY
2 - 5

CAMPERS COOKING • \$192 | Ages 4-10 - 4 Days

In this camp, your little chefs will learn about basic cooking, nutrition, food preparation, and more! They'll also have the chance to do crafts and spend time with their fellow campers. Each junior cook will receive an apron to take home at the end of the week. Using locally-sourced produce, campers will explore different cooking techniques, learn about table-setting and common North American etiquette, and so much more. Sharp knives and cooking with heat may be involved and only under camp staff supervision.

JULY
8 - 12

MAD SCIENTISTS • \$240 | Ages 4-10

This is the camp for your budding scientist! Campers will enjoy a fun-filled week of STEM experiences/activities that form the foundation of a lasting love for science, technology, engineering, and math. STEM education creates critical thinkers, increases science literacy, and enables the next generation of innovators.

JULY
15 - 19

HABITAT HUNTERS • \$240 | Ages 4-10

Campers will learn about the plants and animals of woodlands, prairies, and wetlands by exploring a new habitat each day and engaging in lots of engaging projects. By the end of the week, campers will know about different habitats and even create their own! The group will also take a trip out to Shade's Mills Conservation Area for some hands-on exploration.

JULY
22 - 26

WILDERNESS SURVIVAL • \$240 | Ages 4-10

It's never too early to build wilderness survival skills! Campers will learn basic survival skills, like how to build a shelter, make a fire without a match and how to create a survival kit, as well as learn search and rescue techniques. The group will also take a trip out to Shade's Mills Conservation Area and a local forest location for further, hands-on exploration.

JULY 29
- AUG 2

ART EXPLORATION • \$240 | Ages 4-10

. Designed for the young artists, the Art Exploration Camp stimulates campers' creative abilities to produce wonderful works of art. From painting and drawing, to sculpture and printmaking, we're going to explore it all and have so much fun discovering new things together! Campers will learn several art concepts in a diverse range of media and practices, such as drawing, painting, pastel, clay work, collage, and mixed media.

AUG
6 - 9

CAMPERS COOKING • \$192 | Ages 4-10 - 4 Days

In this camp, your little chefs will learn about basic cooking, nutrition, food preparation, and more. They'll also have the chance to do crafts and spend time with their fellow campers. Each junior cook will receive an apron to take home at the end of the week. Using locally-sourced produce, campers will We will be shopping for local produce within our community, exploring different cooking techniques, learning about table-setting and common North American etiquette, and so much more. Sharp knives and cooking with heat may be involved and only under camp staff supervision.

AUG
12 - 16

OOEY GOOEY • \$240 | Ages 4-10

Let's get messy! Campers will look, listen, touch, and smell with many hands-on activities in this camp. We will work together to find all things dirty, slimy, and downright cool. Campers will also explore the physics behind non-newtonian fluids (an exploration between liquids and solid molecules) while getting a little messy! Hands-on activities are the best way to explore the world! The group will also take a trip out to a local business to explore their ooey gooey world a bit further.

AUG
19 - 23

OUTRAGEOUS OUTINGS • \$300 | Ages 4-6 • \$320 | Ages 4-10

Our most popular camp! This fun-filled, busy program of activities is only offered to ages 7-10. This camp includes an exciting line-up of three offsite trips and on-site special guests. Campers are dropped off and picked up at WESLEY UNITED CHURCH.

Campers will receive a YWCA Cambridge t-shirt to wear every day. Campers must be able to swim and may be asked to complete and pass an onsite swimming test in order to participate.

Our 4-6 age group will participate in different field trips with fun-filled, busy programs.
